## One Day Workshop on “Clinical Pharmacists Intervention in Resolving Drug Therapy Problems”

23<sup>rd</sup> November, 2019

Sri Venkateswara College of Pharmacy organized **One Day Workshop on “Clinical Pharmacists Intervention in Resolving Drug Therapy Problems”** exclusively for Pharm.D and M pharmacy Students in final and penultimate years. Seventy students and nine staff members participated in this workshop which provided a clear note on resolving drug therapy problems.

### NEED FOR THE EVENT

Pharm.D. graduates with wide exposure to Drug therapy problems (DTPs) are of major concern in health care because of the associated increased cost of treatment, morbidity, and mortality. Thus, clinical practice should constitute the mainstream practice of clinical pharmacy.

### WORKSHOP HIGHLIGHTS

This workshop was conducted in collaboration with Government hospital, Chittoor, based health organization involved exuberantly gave a knowledge on drug therapy problems. The forenoon session (9:30am -12:30pm) was engaged by **Dr. S. Kavimani** whose lecture focused on role on resolving drug therapy problems. Clinical Pharmacist Brief insights into different domains of the therapy problems and patient safety etc. were provided during this session. The second session was taken over by **Mr. Udaya Kumar** who broadly discussed about clinical study designs, health challenges and faced in implementation of new drug therapy in patients.
