Management of Diabetes in respect to life style modification other than Oral Anti-hyperglycemic drugs (2019-20)

On World Diabetes day dated 14th Nov. 2019, that day a lecture is forecasted from guest Lecturer Dr. Vetrivel (Professor), Department of Medicine (Pharmacology), Regional Government Hospital, Chittoor, Andhra Pradesh, INDIA. He was hosted by Dr. Rakesh Das, HOD, Department of Pharmacy Practice, on RVS Hospital attached to Sri Venkateswara College of Pharmacy, RVS Nagar Chittoor. The Lecture from 1:30 pm to 3:30 pm is disseminated targeting to young Pharm. D students. The whole lecture is motivated towards the best utility of life style to upgrade so to overcome the therapeutic utility of Oral Anti-hypertensive Drugs.

All Pharm. D students and Pharm. D faculties were involved in motivated Lecture. The presence of 125 students enriched with modern prophylactic therapy in speech leads to boost the programme with best regards.

At last the finishing of the programme Dr. Jotishwari Madam, Vice- Principal, hand-over a momento cum shal gifts to Dr. Vetrivel (Professor). Coffee – snack breaks were organize for him after the finishing ceremony, on 3:35-4:00 pm. Finally, D. Vetrivel was see-up upto his living place through Institutional Vehicle.
