### **PHARMACIST DAY CELEBRATION-2021**

World pharmacist day is celebrated globally on 25<sup>th</sup> September every year. This day is celebrated to create awareness about the role of pharmacist in improving health. This day was an initiative of International Pharmaceutical Federation (IPF) along with the council of this organization.

This year theme is “Pharmacy: Always trusted for your health”. The organization announces a different theme every year so that associations and individuals in the pharmaceutical industry can organize national companies or local projects to show case their outstanding work in helping to improve the health of people around the world.

In this context we also have conducted a rally based on a Theme-Pharmacy always trusted for your health to create awareness among the public regarding safety of health and “Plantation Programme” in the view of protecting the environment. This sort of activity was a different kind of celebration and was most satisfying to all of our pharmacist as well as to budding pharmacist.

During this event Prof. Dr. K. Bhaskar Reddy sir discussed various factets of pharmacy profession along with the responsibilities and challenges present infront of the pharmacy profession.
