#### 15. Multidisciplinary / interdisciplinary

Through the implementation of NEP 2020, Sri Venkateswara College of Pharmacy, has introduced multidisciplinary approach of learning by inclusion of various courses. The students can gain a comprehensive understanding to develop critical thinking and creativity skills, prepare for real-world problem-solving, foster collaboration and teamwork skills which would help to develop a pragmatic attitude of the student. The college is focusing in implementation of CBCS in all programmes offering wide range of electives that foster the interdisciplinary collaborations, bridging basic and applied research, promoting a culture of innovation and entrepreneurship. Our MOUs and collaborations with reputed research and academic institutions worldwide will help to foster the multidisciplinary research in the near future. This approach involves students to set goals, make decisions and share resources and responsibilities.

#### 16. Academic bank of credits (ABC):

Sri Venkateswara College of Pharmacy has registered for the implementation of Academic Bank of Credits (ABC) under National Academic Depository (NAD-Digi Locker) portal and imparted ABC system, by providing a standardized framework for credit recognition and transfer in all the curricula that implement the CBCS approach. Due to the implementation of NEP-2020 the college is emphasizing on credit accumulation for the learners to enhance flexibility, mobility in the whole graduate or post graduate programmes. Also, the college is regularly adopting with the SWAYAM regulations 2021 for online and distance learning. Approximately CBCS data of 425 students is uploaded on DigiLocker and the said process is ongoing. Our college has uploaded the result and marksheet of respective examination conducted between

July 2023 to June 2024. The said data is uploaded on National Academic Depository portal and this activity will be regular henceforth.

#### **17.Skill development:**

The institute improvises skill development by enrichment of curriculum, introduction of skill based co-curricular courses, mandatory additional courses etc through NPTEL and edX online platforms. Courses like Essential Skills for Professionals and Skill Development for Professionals are part of the curriculum to enhance employability skills. Skills like quantitative aptitude, verbal aptitude, verbal ability and critical reasoning, interpersonal skills and teamwork, experiential learning skills, analytical reasoning, data Interpretation, emotional intelligence and leadership/ management skills are also part of this curriculum.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Integrating Indian knowledge system into the teaching-learning process of the institute is a continuous effort which is in place. The institute starts with a regular morning assembly where all teachers and students sing the national anthem. A brief 5 minute motivational quotes of eminent personalities are shared (most of them in either hindi, malayalam, kannada, tamil, bojpuri or nepali). In 3 days long annual cultural festival (SELESTA), first day is reserved exclusively for Indian contemporary and classical programs. Teachers during the classroom teaching, apart from teaching in English language, make it a point to clear doubts of the students in vernacular languages as well. Different religious festivals like Christmas, Eid, Mahavir Jayanti, Buddha Purnima, Durga Puja, Holi (to celebrate Basant Utsav and Doljatra), chaat puja, Agomoni (Pre- Puja meet), Dandiya Utsav (to celebrate Navratri), Ravindra Jayanti etc are celebrated in the campus where participation of faculties and students are ensured. Number of events like Yoga Day, Ethnic Day, Youth Day, Children's Day, Teacher's Day, etc are organized throughout the year to promote Indian culture amongst the students.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Sri Venkateswara College of Pharmacy practises Outcome Based Education (OBE) for all existing programs. According to Washington Accord, UGC and NBA all courses have pre-defined 4 Course Outcomes (CO) for each course and 11 Program Outcomes (PO) leading to achieve the Program Specific Outcomes (PSO), Graduate Attributes (GA) and subsequently the attainment of Program Educational Objectives (PEO). Syllabus indicates POs and COs and their mapping. This enables both students and faculty members to understand the importance of OBE. Lesson Plan prepared by the faculty also reflects the same. To inculcate the values of a good human being and citizen of India, mandatory courses like Values and Ethics, Environmental Science,

Constitution of India, aptitude, General Knowledge and compulsory YOGA, self-defence classes are included in routine. Mandatory industrial trainings, compulsory laboratory projects and courses offered by industrial experts bridges gaps between industry and academia. Final year projects can be done entirely in the in-house labs / industry under the joint supervision of industrial personnel and faculty. To popularise the coding culture hackathons and coding competitions are organised. Conferences, tech fests, model making competitions are organised to enhance hands on learning.

## 20.Distance education/online education:

The possibility of Online/ Distance degree/diploma courses may be planned by the institute in near future. The digital library of the college provides lectures of NIPER professors and reputed industries through NPTEL, Coursera, LinkedIN, edX platforms. Students can access e-journals (PubMed, Springer, Science Direct, BioMed, Nature, Oxford, SAGE, Taylor & Francis, J Gate, Knimbus Online, NDLI, Eduskills etc) for their study purpose. In addition to regular physical classes, YouTube lectures by faculties are there to encourage learning in blended mode.

### 1.3 - Curriculum Enrichment

#### 1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Susta curriculum

The UG plan includes a 3-credit course on environment studies.

Every year, we observe World Environment Day, Green Earth Day, and World Water Day. The course Human Values and Professional Ethics, which is worth one credit and focuses on human values, is available to all students as an audit course.

Every year, NSS units plan events including NTPL, EdX, blood donation drives, health screening drives, cleanliness and health awareness campaigns, and rallies or campaigns on social concerns, public health, and gender issues to promote social development. The college also requires the students to enlist as NSS volunteers as a crucial component of their participation in social activities during their period of study. It tries to instil in the students a sense of morals, ethics, and social responsibility. Since the institute's founding, students have organised street plays,

awareness campaigns, debates, and other events. A women's empowerment cell has been established at SVCOP and is working to inspire female students' thoughts on gender equality.

## 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners

2.1 The institution assesses students' learning levels and organises special programmes for both learners. The performance in qualifying exams, competitive admission exams, and the performance orientation programmes, set with a benchmark of performance, are used to evaluate and identify levels. The examination results at various levels and stages, as well as their performances in cocurricular activities throughout the programmes, are used to identify the advanced and slow learners. The institution runs a successful orientation course that facilitates personal resource and leadership development for a uniquely different professional, a prerequisite for a perfect pharmacist. Regardless of whether a student is an advanced, slow, or ordinary learner, the institution believes that more inputs will help them succeed. As a result, it treats every student in the class fairly and employs the best pedagogical methods. The pedagogues develop important strategies and scientific implementations in the educational process for advanced learners and slow learners while keeping in mind the average performers; he or she also provides effectiveness to the vital facilitation and support to the advanced learners to be excellent academically and to be better performing and achieving students in the academic and personal life through a high-quality programme.
